📍 Vancouver

Lisa Nguyen is an accountant at MEA Forensic. She produces expense reports and oversees accounts payable for our offices in Vancouver, Toronto and Los Angeles. Lisa works closely with the firm's senior accountant and controller as well as the project coordinators' team to ensure that accurate records of the financial side of MEA Forensic are kept.

Lisa holds an Accounting diploma from the British Columbia Institute of Technology and has previously worked in the fields of hospitality and property management. Naturally detail-oriented, she feels fulfilled when everything is in order and up-to-date.
