Sobana Thilakarajah is a controller at MEA Forensic. She is the person responsible for overseeing the firm's finances, legal, and regulatory matters. From MEA's headquarters in Vancouver, she helps to guide operations in all three of the firm's offices in both Canada and the U.S.

Sobana is responsible for the tasks necessary to produce financial statements and provides detailed reports to the company managers. She also oversees account receivable and assists with any client issues with invoices.

Before joining MEA, Sobana worked in recruiting, real estate, manufacturing, and automotive. Sobana is a Certified Professional Accountant (CPA) and obtained her Bachelor of Commerce in Accounting from the University of Ontario Institute of Technology.
